

Recent NTACT developed/ co-developed Resources Supporting the SSIP

Part B Indicator 17: SSIP Resources

Resources available directly from NTACT staff (attached)

- *Training Materials for Logic Model Development* used in various states. 8 components
 - Process Agenda
 - Participant Agenda
 - PowerPoint starter
 - Handouts for 2 Activities
 - Logic Model Template
 - Logic Model Checklist
 - Evaluation
- *Infrastructure Analysis Tool inclusive of Vocational Rehabilitation*, adapted from RRC program tools and used with States for SSIP and other strategic planning work with NTACT
- *Outline for SSIP Evaluation Plan*, developed in SSIP work with BIE
- *Intervention Fidelity Implementation Rubric*, developed in SSIP work with RMI
- *Theory of Action Infrastructure Analysis* resource, developed in capacity building work with Nevada
- *Goal Prioritization* guidance, developed in capacity building work with Nevada

Part B Indicator 13: Compliance with Transition Planning and Part B Indicator 14: Post-School Outcomes (as well as capacity to track data for Indicators 1 & 2)

Resources available at www.transitionta.org

- *Transition Gradebook* – allows tracking of student level participation in “predictors of post-school success” and later inclusion of B-14 data, as well as data sources, associated with improvements on Indicators 1, 2, and 13.
<http://www.transitionta.org/postschool>, click on Effective Practices and Predictors – Transition Gradebook

Part B Indicator 1: Graduation

Resources available at www.transitionta.org

- *Considerations for developing state-defined alternate diplomas for students with significant cognitive disabilities.* (jointly published by NCEO and NTACT)
http://transitionta.org/system/files/resources/NCEO%20NTACT%20Brief%20alternate%20diplomas%20March%202017_0.pdf?file=1&type=node&id=1234&force=
- *State-defined alternate diplomas* (NCEO/NTACT joint webinar, April 27, 2017)
<http://nceo.umn.edu/docs/Presentations/StateDefinedAltDiplomas.pdf>
- *Strategies for School Completion Module:* <https://transitioncoalition.org/blog/school-completion-introduction/> (must login to access module)

Resources available directly from NTACT staff

- Q&A on State-defined alternate diplomas (in process, NCEO/NTACT, date unknown)

Part B Indicator 2: Dropout

Resources available at www.transitionta.org

- *Extension of Resources focused on Dropout Prevention:*
http://transitionta.org/system/files/effectivepractices/Extension%20of%20Resources%20on%20School%20Completion_June2017.pdf?file=1&type=node&id=1288&force=
- *Suite of Data Tools for Dropout Prevention (not new):*
<http://www.transitionta.org/dataanalysis#daImprovement> – select Data Tools
- *Risk Calculator* for student level data tracking to support dropout prevention efforts:
<http://www.transitionta.org/dataanalysis#daImprovement> – select Data Tools
